Judi Silvia

TO TIE

DEUCE VEIN:

I hope you make it to U.R.I. next year so we can go to some of those parties like the one we went to last nite! (WHOPPEE!)

Dianne

Dear Judi,

I have so much to say I don't know where to start. If you stay as "sweet" and understanding as you are today you will attain success. I hope we still will remain good friends even though we're many years apart.

Always,

Dianne

Our society cannot achieve greatness unless individuals at many levels of ability accept the need for high standards of performance and strive to achieve those standards within the limits possible for them. We want the highest conceivable excellence, of course, in the activities crucial to our effectiveness and creativity as a society; but that isn't enough. We must foster a conception of excellence which may be applied to every degree of ability and to every socially acceptable activity. A missile may blow up on its launching pad because the designer was incompetent or because the mechanic who adjusted the last valve was incompetent. The same is true of everything else in our society. We need excellent physicists and excellent mechanics. We need excellent cabinet members and excellent first grade teachers. The tone and fiber of our society depend upon a pervasive and almost universal striving for good performance.

And we are not going to get that kind of alert and sound attention to performance, unless we can instruct the whole society in a conception of excellence that leaves room for everybody who is willing to strive—a conception of excellence which means that whoever I am or whatever I am doing, provided that I am engaged in a socially acceptable activity, some kind of excellence is within my reach. As James B. Conant put it, "Each honest calling, each walk of life, has its own elite, its own aristocracy based upon excellence of performance."

Excellence, John Gardner
Printed by permission of Harcourt, Brace Co.

We who belong to Pilgrim High School are attempting to find excellence. From our scholastic studies to our extra-curricula activities we strive to perform to the very best of our abilities. Perhaps this is why Pilgrim High School is as excellent as it is, and perhaps this is why those who graduate this year will continue to uphold, as an indestructable goal, the idea of excellence.

ADMINISTRATION

ADMINISTRATION

The pattern of life at Pilgrim is determined by the three men who compose the administration. Mr. Morry plans the arrangement of the courses in the school day, and has ultimate charge of all activities. His assistants, Mr. McDevit and Mr. Johnson, supervise daily routine: they plan assemblies, keep discipline among 2,500 students, and, in general, co-ordinate the work of the student body, faculty, and nonteaching personnel. They create an atmosphere condusive to study, yet informal enough so that the teachers are not just respected but liked.

DR. CLARENCE S. TAYLOR

Team teaching, advanced classes, modern mathematics and languages courses, and a new high school highlighted Dr. Taylor's career as Superintendent of Warwick Schools. The impetus for this progress has come from Dr. Taylor himself, and the acting Assistant Superintendent of Secondary Schools, Mr. DiLuglio.

Each of us has his own conception of the scope and purpose of the humanities. Some believe that they should be mastered for their own sake, that no one should be ignorant of any of these subjects. Others think that they should be studied because they foster attitudes and skills that every useful citizen should possess. Whatever the reason, the humanities form a major part of our curriculum.

In the English Department, concentration is not so much on mechanics and sentence structure as it is on literature and exposition. Foreign languages are now taught through the conversational method, with the aid of the language laboratory. Emphasis in modern and ancient history is on individual judgment and investigation rather than on memorizing facts. The Music Department attempts to eliminate, as much as possible, rigid patterns of instruction and tends toward freedom of expression in the classroom.

The aim of both the science and mathematics departments is to develop the ability to attack difficult problems logically. Much of the *subject matter* is also common to the two departments. Physics, for instance, is highly mathematical—where mathematics has become a tool for describing natural processes. And certain areas of Chemistry and general science, ones which demand quantitative answers, require the use of mathematics. Biology is perhaps the least mathematical of any of the sciences taught at Pilgrim, yet in an area such as genetics probability is important.

Pilgrim's science and mathematics courses range from elementary arithmetic and general science to Physics II, Biology II and Calculus.

"Newness" is the key in science where cell theory, for instance, that had been valid for a hundred years has been exploded in the last five.

Art, business, industrial art, and home economics courses make up the curriculum of Practical Arts. From the study of these fields, students develop recreational and vocational interests which they can later pursue. Increased meaning is given to ideas gained from the Humanities and Sciences through their practical application. After participating in Sealol and Mobil Gas programs, learning with modern business machines, and working in complete model kitchens, the students gain a good foundation for the future.

Running a play school for children between three and five years old is much enjoyed by girls in the child development class.

The Mobilgas program is an experiment in shop curriculum: A student goes to school for a week, then works for a week. At left, James Caluchi learns about the operation of a gas station.

Every student at Pilgrim has group guidance once a week. During this period guidance counselors attempt to convey a small part of the information of which every student must be aware: college and job requirements; Kuder Preferential, Scholastic aptitude, and Achievement tests; warnings and report cards; and other harder to classify advice about people and group relations. This department becomes doubly important during a students senior year when college and employment lie just ahead.

LIBRARY

BEVERLY A. BARTON
B. S., M. S.
Head Librarian

Pilgrim's library starting from scratch in 1963, now has over six thousand volumes and subscribes to more than seventy periodicals. This means it is acquiring approximately three thousand books yearly. The filing system, unique in its use of colored plastic tapes as labels, simplifies the job of weeding out misplaced volumes. Although the librarians are directly responsible for the purchasing of new books, they receive ample help from the faculty.

The main use of the library is for study.

After stamping dates, cataloging books, and helping frustrated students find books, a few minutes; rest period is welcomed by Miss Barton, Mrs. Judd, and Mrs. Mondillo.

As Social Coordinator, Miss Josephine DelVecchio's duties run from prom planning to supervising the Student Council Store.

Mrs. Casey and Dr. Houston supervise the in-school health needs of Pilgrim's students.

Mr. Healey is in charge of a special course devoted to the practical teaching of high school subjects.

Some duties do not fall into the 7:30-2:00 category: these are outside the regular teaching areas, and are called Special Services.

The Audio-Visual Office, under Mr. Herchen and Mrs. Krasner, supplies the school with projectors, polaroids, slides, and sound equipment.

Cafeteria Staff: Ruth Marland (Head), Agnes Chase, Corene Grayboyes, and Alice Galleshaw.

Custodial Staff: George Neale, Nick O'Hanian, Ed Morin, Jeff Berard, Armand Venturino (Head Custodian), and Frank Russell.

Keeping the school functioning and feeding the students are the main duties of the Custodial, Cafeteria, and Kitchen staffs. Their efficiency smooths Pilgrim's daily routine.

Kitchen Staff: Erna Andersen, May Adams, Peg Morin, Mary Smith, Elizabeth Greenwood, Nellie Hobin, Corene Thomson, Eleanor Holmes, Joseph Tetrault.

SECRETARIES

Darlene Johnson, Gladys Bergmann, and Caroline Beckwith: Office Secretaries.

It would be difficult for the school to function properly if we had no secretaries. Department secretaries ditto off tests and do regular secretarial work for their department heads, as well as run their respective offices. Office clerks do the paperwork of the main office, and some serve as secretaries to the Administration.

ACTIVITIES

Dance
the Mistletoe
on Dec 18
from 8-12
tickets only $2.00 per couple
music by
Ed Drew
Semi-formal

JUNIOR CLASS OFFICERS: President, Vincent Oneppo; Treasurer, Jean MacMillan; Secretary, Gail Gardner; Vice President, William Gardner.

JUNIOR CLASS

The first project of the Junior Class was to draw up a guide for in-school and out-of-school conduct. In conjunction with the Student Council, the class sponsored the Valentine's Dance. The highlight of the year for the Juniors was the formal Junior Prom.

JUNIOR EXECUTIVE COMMITTEE: First Row, L. to R.: B. Certo, D. Moorby, B. Gardner, R. Paparian, R. Walsh, S. Leslie, R. Lang, S. Simmons. Second Row, L. to R.: K. McCormick, S. LaCassio, P. Belinsky, R. Tramonti, M. Dunn, G. Gardner, J. McMillan, K. Oliver, B. Joslin, C. Budlong, S. Weiss, L. Over, D. Brenick, M. Sheridan, J. Burns, D. MacLeod.

SOPHOMORE EXECUTIVE COMMITTEE: L. to R.: S. Delgizzo, T. Walsh, C. Stone, J. David, S. Ferruolo, P. Gregson, P. Angelone, S. Matteson, C. Mueller, M. Nunnally, M. Bouchard, R. Knapple, K. Rinamin, A. Einsiedler, L. Martin, L. Bucci, P. Donnelly, M. Sheridan.

SOPHOMORE CLASS

The major function of the Sophomore Class this year has been the Sophomore Hop. The planning of this informal dance was done by committees responsible for decorations, publicity, refreshments, etc. Sophomore Class representatives in the Warwick Youth Council are Stephen Ferruolo and Ruth Knapple. Tenth graders look forward to their next two years when they will be "senior" members of Pilgrim.

SOPHOMORE CLASS OFFICERS: Donald Meschisen, President; Ruth Knapple, Vice-President; Judith Vaughn, Secretary; Judith Kart, Treasurer.

FRESHMAN CLASS

This year's Freshman Class, with an enrollment of over six hundred, is the largest in the history of the school. The highly successful Freshman Dance, made doubly difficult by the late election of class officers, was the high-point of the year. Freshmen representatives in the Warwick Youth Council are Nancy Gardner and Barry Mills.

Gail Parson, Secretary

Katherine McKenna, Treasurer

Donald Cole, President

Nancy Gardner, Vice-President

FRESHMAN EXECUTIVE COMMITTEE: L. to R.: W. Richardson, B. Mills, N. Crosby, M. Sullivan, L. Warburton, L. Coutcher, M. Kenyon, D. Crossley, S. Martin, D. Cole, N. Tobin, S. Veasey, D. Dean, L. Johnson, K. Monahan, D. Allen, D. Barone, W. Bates.

GIRLS LEADER CORPS

Girls' Leaders Corps is composed of 30 members and is advised by Miss Brightman. These girls assist the physical education teachers in class, participate on teams in competition with other schools, and assist in scoring, timing, and providing refreshments at games. Although tryouts are open to all girls, new members are chosen by the physical education teachers, and membership is retained from year to year. Te defray the expenses of playdays and banquets, the club runs fund raising affairs such as cake sales or candy sales. A Father-Daughter night was held in the fall, and a Mother-Daughter Banquet is planned for the spring.

Simmons, J. Chapman, A. Berberian, D. Hart, J. Coppa, D. Sisson.

LETTERMENS CLUB

Undoubtedly the club with the smallest membership potential, as it includes only lettermen in each sport, the Lettermen's Club busies itself with dances, paper drives, bottle drives, concessions at games, and trips. Much of the money the club makes goes into these trips and the student injury fund. This year, in addition to their sweaters, lettermen had the opportunity to buy Pilgrim jackets. The most important event this year was the Lettermen's Dance, even though attendance was not limited to lettermen.

OFFICERS OF THE LETTERMAN'S CLUB: President, Wayne Wildes; Secretary, William Anderson; Treasurer, Frank Lindia; Vice-President, Richard Walsh.

Wayne Wildes, President, and Frank Lindia, Treasurer, present a bouquet to Ann Jacques, Queen of the Lettermen's Dance. Larry Sullivan, her escort, looks on.

PILGRIM FOLK SINGERS

The Pilgrim Folk Singers Club, advised by Miss Lundgren and Mr. Izzi, was formed so that interested students might have a chance to sing and compose folk music together. The organization is extremely informal; membership is sixteen.

Many of the members are just learning to play the guitar and benefit from the advice of the more experienced musicians. During a typical meeting groups of three or four experiment with original lyrics and music. Perhaps we have another Stephen Foster in the making.

Seated: Danny Tramonti, Vice President; Mike Gendron, guitarist; John Webb, President. Advisors (standing): Mr. Izzi and Miss Lundgren.

First Row, L. to R.: J. Very, P. Worden, A. Geffin, M. Gendron, P. Johnson, S. Wallace. Second Row, L. to R.: N. Hornby, Y. St. Dennis, L. Wentworth, S. Kapsinow, L. Chappelle, L. Steffens, R. Jan Brauman throws a piece of clay on a kick-wheel in the crafts room. Now that he has centered the clay, the difficult phase begins.

ART CLUB

The Art Club, advised by Mr. Beckenstein, was organized to give interested students an opportunity to express themselves creatively. During each of the two weekly meetings the twenty-four members work on their individual projects. Most members use water color, oil paint, charcoal, pastels, or pencil, although some work with clay, plaster, copper, and linoleum.

Working copper requires skill and patience.

BAND

The Pilgrim High Band, under the direction of Mr. Lucien Garceau, plays an important part in many school functions: assemblies, pep rallies, basketball and football games. Members of the band followed Pilgrim's football team to most of the home and away games, often accompanying the cheerleaders in rallying student support. In October the band marched in the Columbus Day parade and received a trophy for its outstanding performance from Mayor Hobbs. In addition to group honors, Pilgrim's band has individual instrumentalists who have received awards in state and New England competitions. Each year a Band Council is elected to help with the administrative work.

Pamela Knight awaits Mr. Garceau's downbeat.

ORCHESTRA: First Row, L. to R.: A. Cummings, M. Mortiz, N. Greenfeld, C. Wilcox, S. Manock, V. Oneppo, D. Archibald, J. Loven, G. Quinn. Second Row, L. to R.: D. Rubin, M. Carwane, S. Norgaard, D. Wicks, H. Coulter, P. Zambrano, D. Geary, J. Cullen, W. Seaton. Third Row, L. to R.: D. Waterman, Mr. Garceau, G. Fales, S. Flood, P. Gallo.

CHORUS AND ORCHESTRA

Chorus and Orchestra are partly classes, partly activities. That is, both are courses, but both demand as much time out of school as in school. Both practice long hours. Tangible results of this for the chorus are the assemblies given for the school at Christmas and Easter. As it takes longer to tune an orchesta to performance-pitch, fewer concerts are given by the Orchestra; and these are given outside school. In both chorus and orchestra there are contests of state and regional levels. In both areas, Pilgrim consistently places its performers in the first, second, and third groups.

Mr. Garceau leads his Orchestra in practice.

Members of the orchestra practice for a performance. Pictured are: P. Gallo, drums; H. Coulter, trumpet P. Zambrano, trumpet; D. Geary, trombone; J. Cullen, trombone; W. Seaton, trombone; J. Loven, saxophone.

OFFICERS: L. to R.: Sandra Pyska, publicity chairman; Gail MacIntosh, secretary; Kathy Ross, asst. program chairman; Anne Pacifico, vice-president; Lynda Read, treasurer; Dianna Silvio, program chairman. Seated: Ann Bulkley, president.

FUTURE NURSES

The objectives of Mrs. Casey's Future Nurses' Club are to stimulate student interest in nursing or medical careers and to provide educational information about professional and practical nursing. The club has a well organized set of written by-laws and owing to the large membership of 77 girls maintains parliamentary procedure at all times. The members have toured the R.I. Medical Center, seen Red Cross first-aid movies, and heard speakers from the Peter Bent Brigham Hospital and the Warwick District Nurses Association. Future plans include a tour of the Ladd School. In addition, club members collect food baskets for needy families and perform other community services such as assisting in the annual polio clinics.

SENIOR MEMBERS: First Row, L. to R.: A. Bulkley, C. Impagliazzo, J. Shepard, G. Kennedy, S. Andreozzi, J. Lombardi, M. Goodman, V. Sullivan. Second Row: D. Silvio, G. MacIntosh, D. Lambert, K. President: Marie LaPrade

Vice-President: Christine Budlong

Secretary: Barbara Handel

Treasurer: Cathy Corcoran

FUTURE TEACHERS OF AMERICA

The purpose of Mrs. Jusilla's Future Teachers of America Club is to unite those students at Pilgrim High School interested in teaching so that they may learn more about this profession. The members have listened to a talk by Miss Earley on the Warwick Citizens' Scholarship Foundation, and plan to visit the Meeting Street School and classes at Holliman School. The club conducts an annual collection of toys, books, and clothing for the children's center at Mount Pleasant. During meetings the forty-five members maintain informal parliamentary procedure.

Jane Thompson, Cynthia Christensen, and Joan Langlois practice in costume.

MODERN DANCE

The purpose of the Modern Dance Club, which was begun three years ago, is to teach interested girls poise and grace, and appreciation of popular and foreign forms of art, music, and design. The thirty members rehearse once a week in preparation for their annual program in the spring. Miss Donahue, the adviser, is helped by a capable slate of officers. The club meetings are more informal than regular gym classes.

First Row, sitting, L. to R.: C. Francesi, S. Ellinwood. Second Row: S. Bennett, J. Myrick, J. Vaughn, K. Strong, C. Miller, C. Graves, M. Tatro. Third Row: J. Kart, B. Osborne, C. Stone, R. Stoddard, S. Boothman, B. Lamphere, L. Jones, P. Lapaglia, D. Belasco, M. Bursie, N. Fitton.

TECHNICIANS

The auditorium stage has elaborate lighting equipment which can, along with the loudspeaker system, add immeasurably to any performance. The operation of the spotlights, colored lights, dimmers, amplifiers, microphones, movie projectors, and accessory equipment is handled by the student technicians. They are responsible for many of the effects that most people take for granted.

P. Wheaton, F. Siniscalchi, R. Perperian, technicians, run the projector, and take care of the lighting for assemblies.

RADIO CLUB

Mr. Carroll's Radio Club has completed the construction of a 30 watt transmitter. The group plans to visit a nearby radio station, and has taken on the task of learning the code which must be mastered in order to obtain an F.C.C. operating license. At present the membership is 10.

This, like many of the smaller clubs at Pilgrim, is informally organized so that students have maximum freedom. Most of the members were already radio buffs before the club was formed, so that there is never any lack of interest.

MEMBERS AND OFFICERS OF THE RADIO CLUB: D. Brown, parts committee; J. Parys, project committee; B. Kirschner, vice-president; M. Matteson; W. Follett, president and treasurer; W. Moscoski; S. Greenfield, secretary; C. Koch, parts committee; J. Miller, parts committee.

L. to R.: L. Over, S. Markham, J. Walsh, A. Cummings, Mrs. Bomba, A. Mossberg, K. Cohen, D. Keyes, C. Rogers, D. Stokes, S. Schaffer, D. Misischia, M. Silverman, H. Stimson, K. Reid, E. Dennison, W. Hitchner, R. Feld.

Kenneth Cohen uses an autoclave to sterilize Petri dishes.

LABORATORY TECHNIQUES

Laboratory Techniques is an enrichment course instructed by Mrs. Bomba. The class, which meets two hours a week and yields no formal credit toward graduation, was begun in response to a desire of Pilgrim students to know more about such techniques as growing bacteria, staining cells, and assembling permanent slides. Each of the twenty members is free to work on an individual project. One student is trying to discover how vitamins affect the growth of bacteria. Another is experimenting with the effect of ultra-violet light on various micro-organisms.

MATH CLUB, L. to R.: S. Slavsky, J. Winterbottom, D. Isenberg, C. Devine, L. Steffens, J. Woods, S. Greenfeld, S. Dreyfus, R. Spiccuzza, J. Miller, D. Raleigh, D. Brown, D. Harrington.

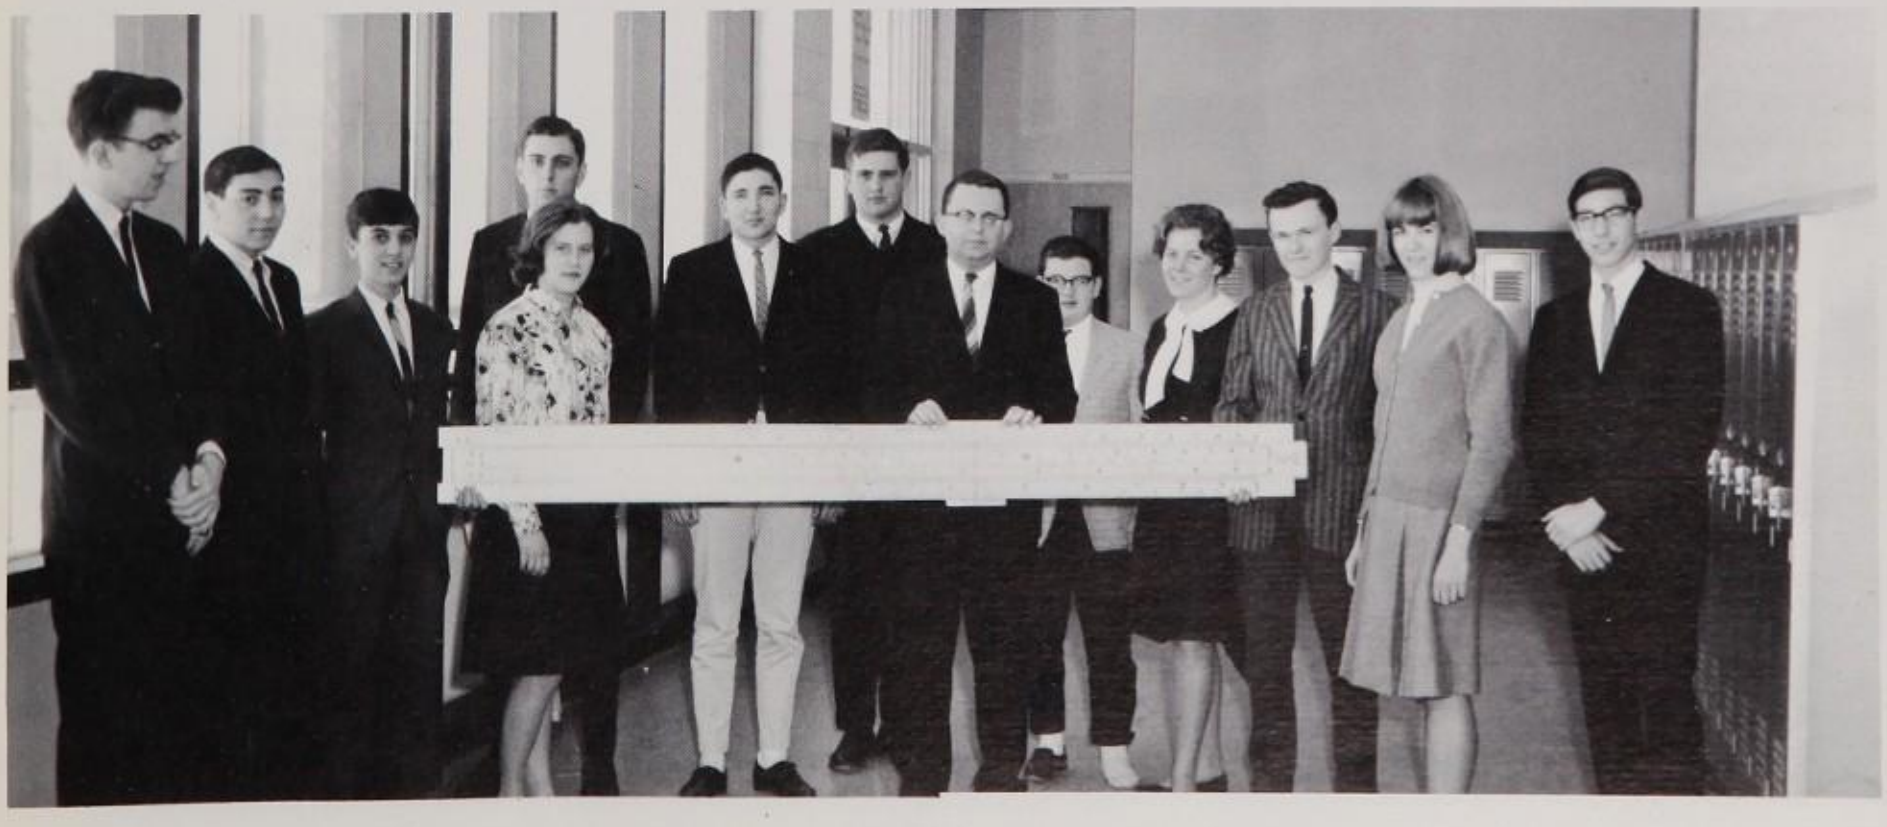
MATH CLUB

The newly formed Mathematics Club co-sponsored by Mr. Izzi and Mr. Hindle, brings together twenty students who plan to tutor fellow classmates before math exams, contribute to student math journals, arrange for Pilgrim to participate in the contest of the American Matematical Society, and participate in other mathematical activities. Rather than have a president, vice-president, secretary, etc., the club will be divided into committees headed by chairmen. A constitution will be written.

SLIDE RULE CLUB

The members of Mr. Hayes' Slide Rule Club, which meets for the first semester on G periods on Tuesday, are devoted to learning how to use the slide rule. The members first learn elementary multiplication and division and then progress to evaluating trig and log functions. In the hands of a skilled operator the slide rule is an indispensable tool for taking the drudgery out of chemistry, physics and math problems.

SLIDE RULE CLUB, L. to R.: P. Shea, A. Zartarian, G. Bargamian, S. Miller, J. Xavier, S. Slavsky, D. Grzebian, Mr. Hayes, R. Downing, S. Bomba, H. Bourbon, S. Shaw, R. Feld.



INTERNATIONAL RELATIONS CLUB

Officers of the International Relations Club are Robert Kasameyer, Vice President; Linda Praske, Treasurer; John Wilson, President.

The International Relations Club fills Mr. Olson's room after school. The crowd attests to student interest in foreign affairs.

The International Relations Club, advised by Mr. Olson, holds regular discussions of problems in foreign affairs. The club has participated in the International House program, has had speakers from Nigeria and other foreign countries, and has been represented in a Model General Assembly on January 28. The aim of the Club is to foster a mature interest in world affairs in its 35 members.

Linda Praske and John Wilson research for the next meeting.

Delegates to the Model United Nations at Salve Regina: Kenneth Cohen, Linda Praske, Susan Shore, Robert Kasameyer, John Wilson.

MODEL LEGISLATURE

Delegates to the Model Legislature are chosen from among Pilgrim students by the advisors, Mr. MacLean and Miss McGoldrick. Students come from grades 10-12 and are chosen on the basis of excellence in the Social Sciences. Leadership positions corresponding to this in the actual General Assembly are competed for by the participating schools. On April 3 the Model Legislature convenes, and acts upon the most controversial issues before the Assembly.

MODEL CONGRESS

The state Model Congress meets at U.R.I. in the springtime. The delegates represent the Senators and the Representatives of the United States Congress. This year the question to be considered is "Should there be a committee on international nuclear disarmament?" Model Congress is to gain understanding of parliamentary procedure and to stimulate interest in politics. Attending U.R.I. will be Mr. Sheehan and Pilgrim's two Senators and Representatives.

SENIOR PLAY

The Silver Cord was an excellent production as have been all plays directed by Mr. Marinelli. The roles, especially difficult for students, gave each of the five actors a deliberate chance to demonstrate his histrionic ability. The story was about a common problem — the overprotective mother who, knowingly or not, is destroying her sons. More unusual, though, and correspondingly more difficult to communicate was the preparation for the tragic ending. Fortunately, the entire conflict was carried off skillfully and the audience left the auditorium still engrossed in the play, still thinking about the characters and their dilemma.

Financially, the play was also successful, not only because of the reputation of Pilgrim's Senior Plays, but also because of the fine publicity.

Robert (Steven Dauer) explains to Hester (Judi Silvia) why he feels he ought to break their engagement. He does not tell her that his mother told him to.

The entire cast gathers at dress rehearsal: Bonnie Green, Judi Silvia, Steven Dauer, Cathleen Classen, student director, Janet Bouchard, Gordon Halliday, and Mr. Marinelli, Advisor.

One of the conflicts in the play comes from the friction between David's scientist wife, Christina, and Mrs. Phelps, who has made her life work the mothering of her two sons.

Mrs. Phelps (Bonnie Green) surprises David (Gordon Halliday) and his wife Christina (Cathy Classen) talking about her in their bedroom.

In both the Warwick Beacon and the Journal Bulletin, Pilgrim has a weekly column. Judith Silvia composes the column for the *Beacon,* and Walter Mossberg and James Woods, for the *Bulletin,* with the help of Miss DelVecchio.

SHALLOP'S OFFICERS: D. Disischia (Prose Ed.), J. Woods (Asst. Ed.), S. Dauer (Ed.-in-Chief), D. Isenberg (Bus. Mgr.), E. Hogan (Art Ed.), W. Mossberg (Poetry Ed.).

SHALLOP

The Shallop is Pilgrim's "little magazine," operated as a showcase for the literary output of the student body. Advised by Miss Shanley, staffed by her C period English class, the Shallop will be published near the end of the year. As not only short stories, but also poems, essay, and some art work will be published, there are many different departments. After a contribution has been sorted out, it is read by at least six persons, and a vote is taken. If the vote is favorable, the contribution gets printed.

SHALLOP STAFF: D. Isenberg, A. Bennett, S. Dauer, J. Woods, C. Impagliazzo, W. Mossberg, E. Hogan, J. Kasameyer, D. Misischia, J. Welch, M. Mueller, B. Handel, S. Grigatis, P. Williams.

COMPACT

The Compact, as Pilgrim High School's newspaper, is the publication which reports on sports activities and student events, interviews with teachers and outstanding students, and things of interest to the student body. Polls are taken to get the ideas of the students on school and extra-curricular subjects. Of all school publications, the Compact is the closest to the student body, because of its reporters among the student body and because of the number of its issues.

SHAKESPEARE CLUB

The rustic play within *Midsummer Nights' Dream* produced for the school's English classes was one of the activities of the Shakespeare Club. Six other Shakespearean plays and Marlowe's *Dr. Faustus* were read and analyzed by the members (11th and 12th graders and "perceptive 10th graders") and the advisor, Mr. Porter. Because it is a club, not a class, there is no homework; there may be in the future, however. If the club proves popular enough, perhaps an elective course in Shakespeare may be put in to the curriculum.

DRAMA CLUB

The Drama Club, advised by Miss Donohue, produces competition plays, both for U.R.I. and New England contests. The club members dramatized *Spoon River Anthology* for the U.R.I. Festival, and *The Little Foxes* for the New Englands. The Drama Club, of course, does not consist entirely of actors. There are stage managers, assistant stage managers, directors, and prop men.

NATIONAL ORATORICAL CONTEST

The National Oratorical Contest is sponsored by the American Legion as a forum on constitutional thought. Entrants are presented with a list of topics. They must choose one and speak on it for not less than eight minutes and not more than ten. Both this speech and the extemporaneous section (taken from any one of six specified sections of the constitution) must be spoken without notes. Judges are American Legionnaires and teachers.

Participation in this contest requires much preparation, both in researching the speech and giving it. Of the four entrants in the contest this year, there were two winners, who went on to the sectional trials.

James Woods: winner at school, and third place regional.

James Kasameyer: winner at school and fifth place regional.

Ann Geffin: contestant at school.

A. Lynn Steffens: contestant at school.

The main decoration was a gigantic wreath.

CHRISTMAS DANCE

The 1964 Christmas Dance, on December 8, was sponsored by the Senior Class. Its theme, "Under the Mistletoe," was emphasized by the red and green wreaths, trees; and a Santa Claus. Music was played by Ed Drew and his orchestra, and at intermission by an impromptu student group. The Senior Executive Committee was in charge of the entire affair, from the choosing of a band, to the buying of refreshments, to the final cleanup after the dance was over.

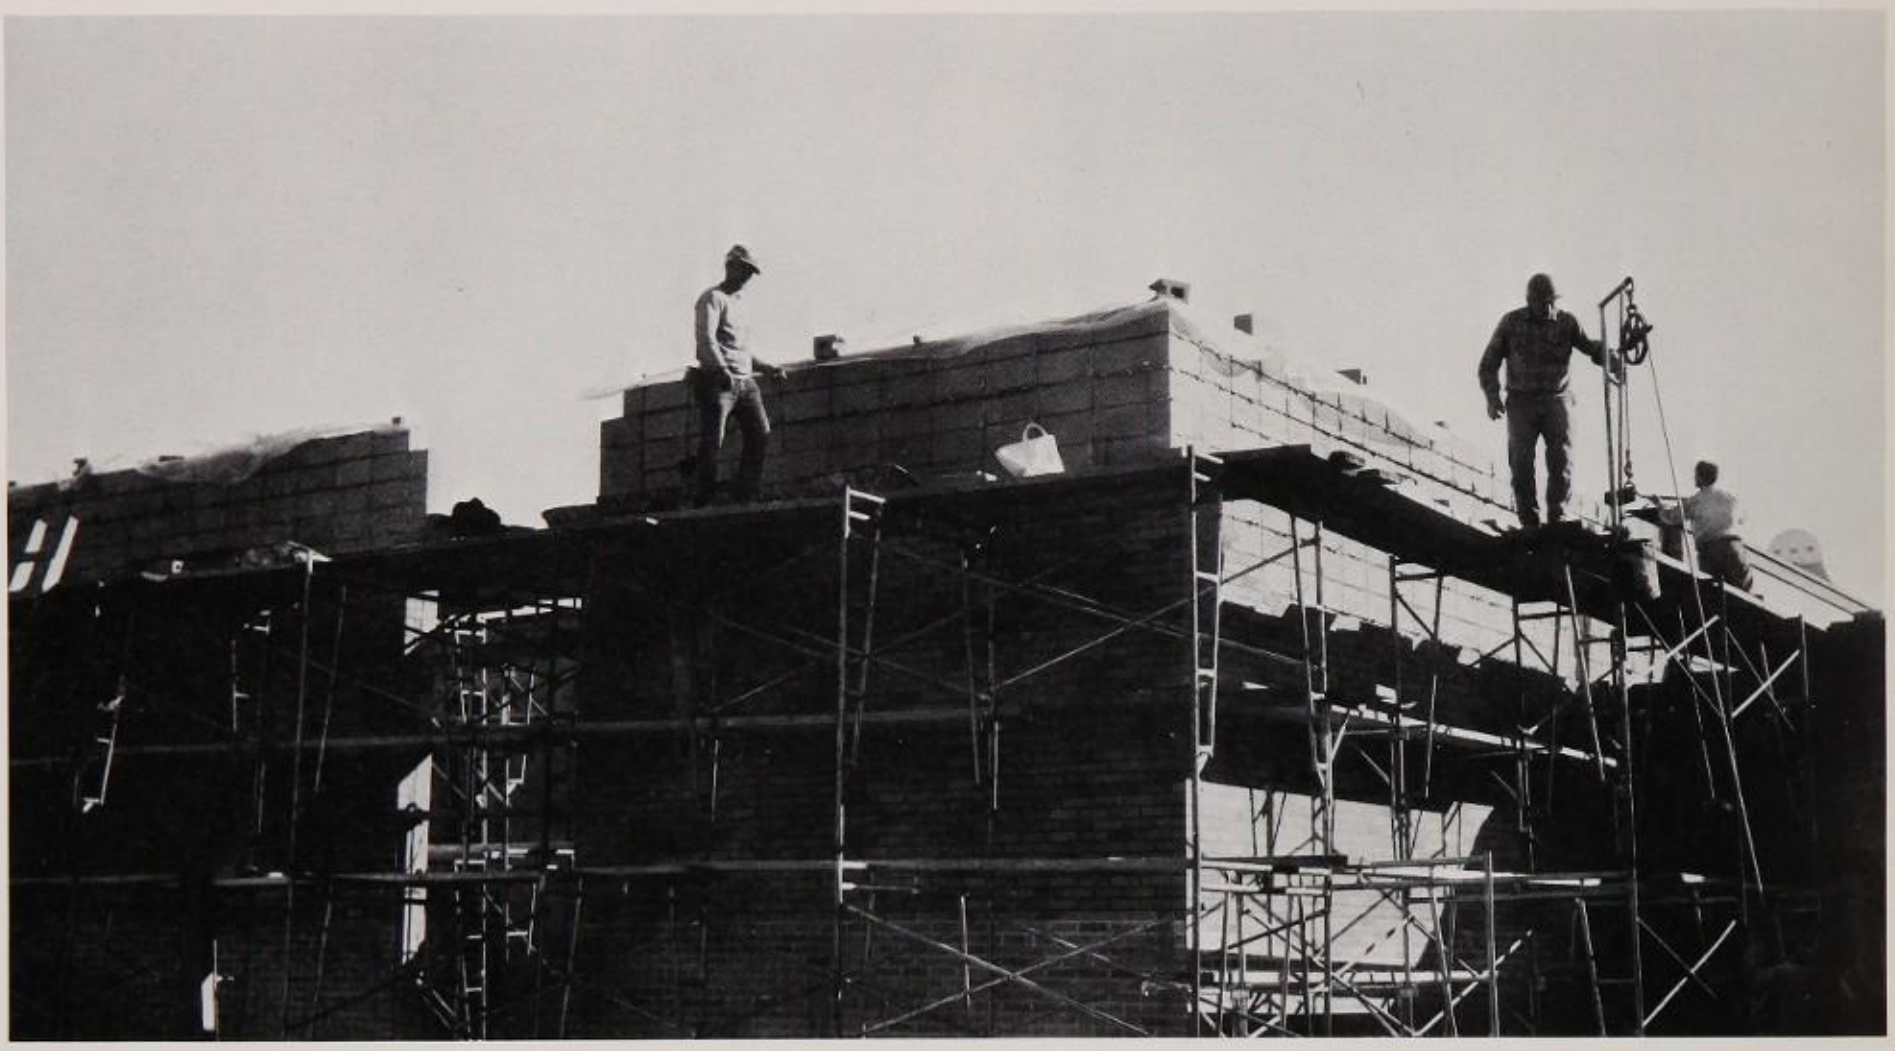
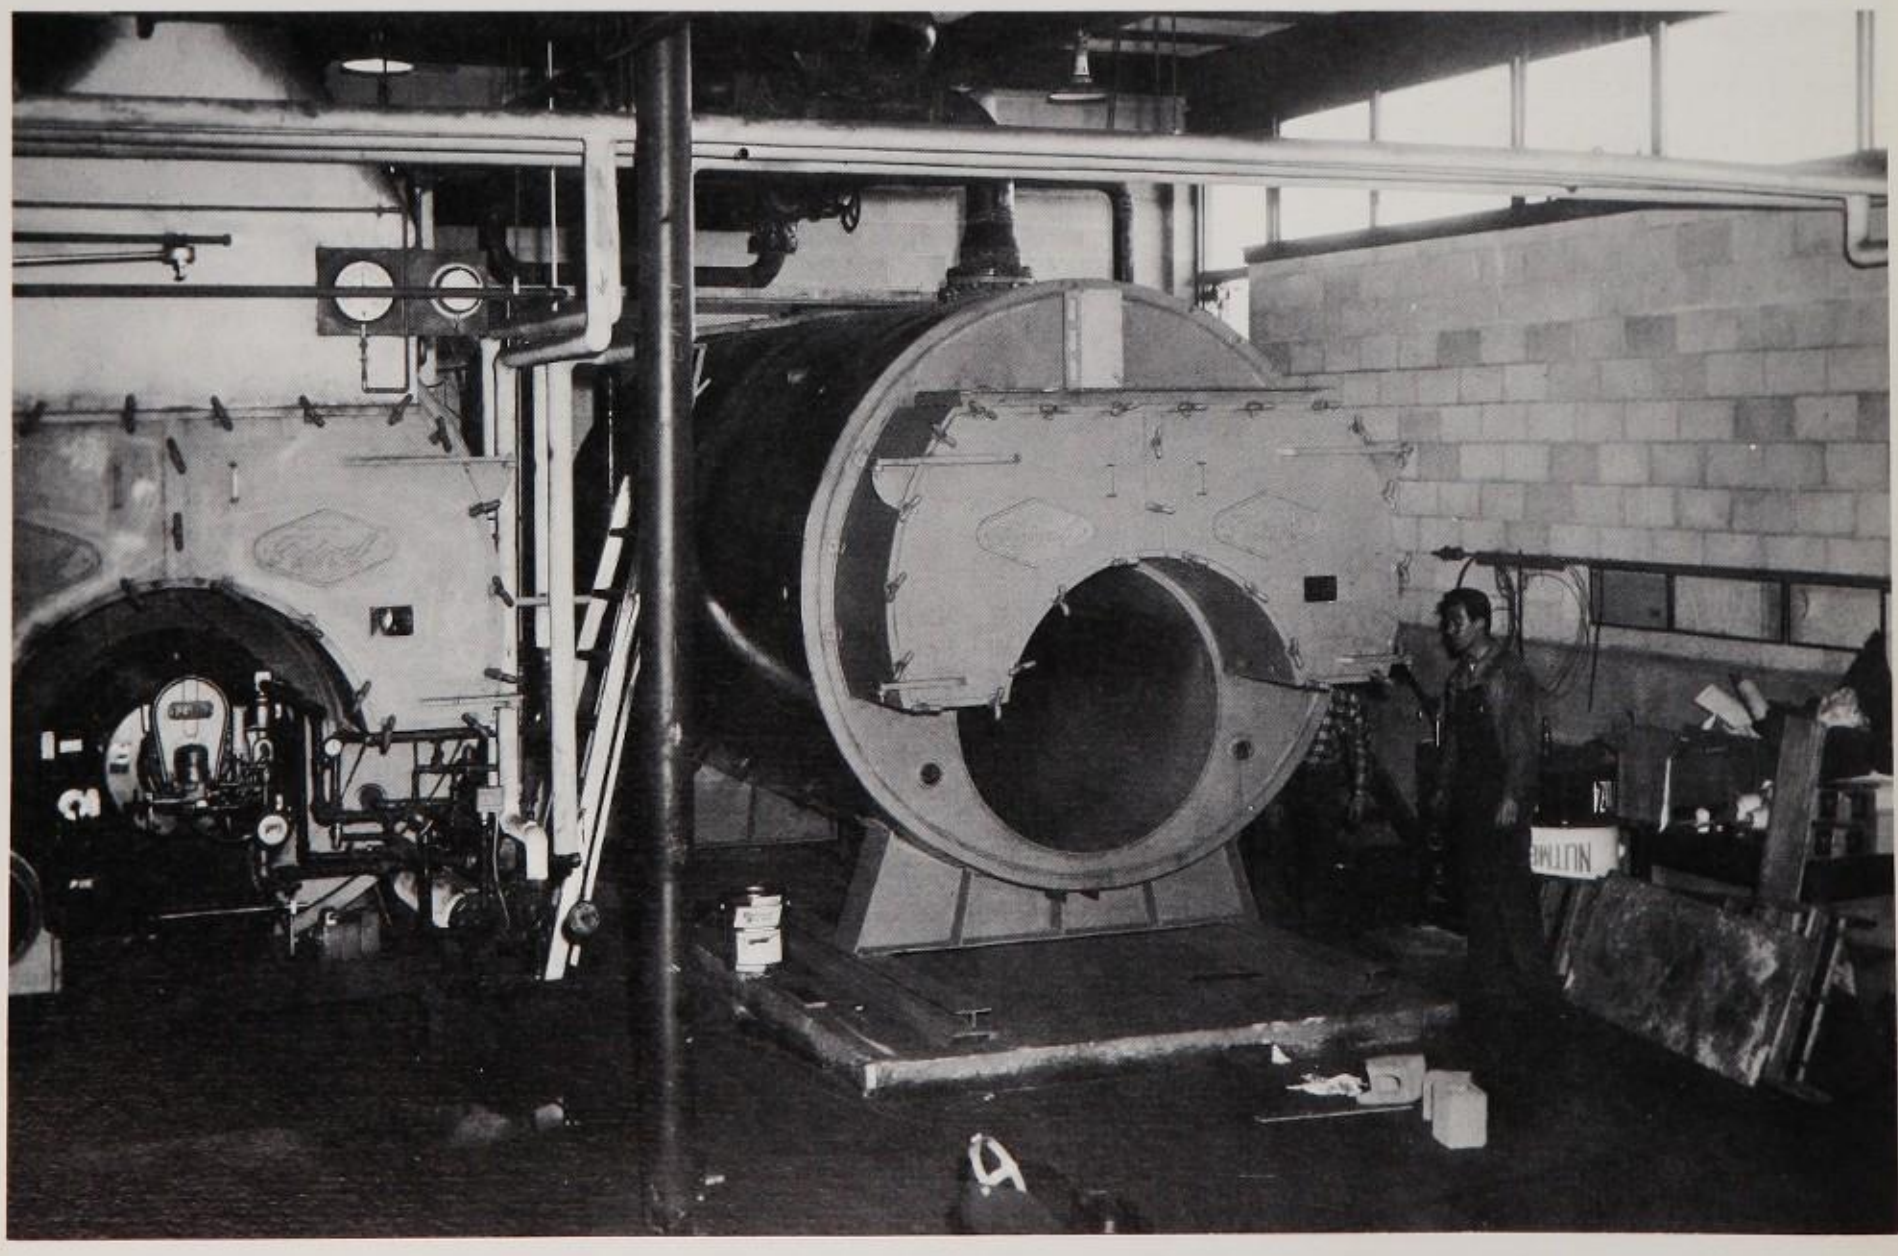
CONSTRUCTION





After only one and one-half years, Pilgrim is over-crowded. To solve this problem, twenty-seven new classrooms are being constructed. Of course, this involves bricks and other construction materials. However, new rooms must be heated, so new boilers and heating equipment must also be installed. In December, preliminary surveying and digging began and by mid-year the foundation had been poured. Ready to relieve the congestion by next year, the additions meanwhile provide interesting conversation material for talkative students.

ATHLETICS

Defeating arch-rival Warwick and thus receiving the trophy symbolic of the city championship made a winning season complete for Coach Miller.

Co-captains Richard Andrews and Wayne Wildes win the toss and elect to receive the kick-off.

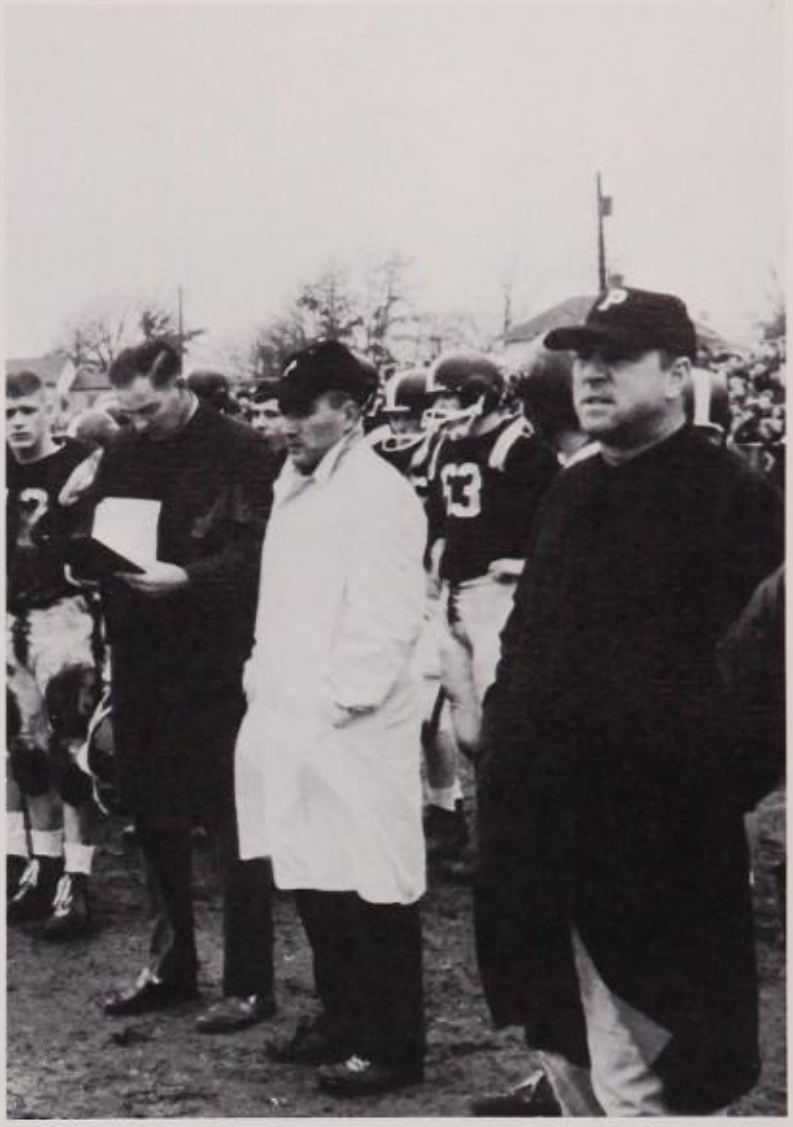
VARSITY FOOTBALL

Winning six games and losing four this fall, Pilgrim's Patriots established themselves as a definite football power in the schoolboy league. In only the second season of varsity competition, Pilgrim overwhelmed such perennial leaders as Rogers, LaSalle, and Warwick. After close losses to Cranston East and Tolman, the team finished fourth in the nine team Metropolitan Division. However, the crowning achievement was winning the City Championship by defeating first Hendricken and then Warwick. In the latter victory, which occurred on a cold, rainy Thanksgiving Day, Pilgrim held Warwick scoreless and won by two touchdowns.

Pilgrim players were well represented in the All-State selections. Heading them was Billy Gardner, a junior, chosen as a first All-State tackle. On the All-Metropolitan first team, co-captain Wayne Wildes was picked as a back while co-captain Richard Andrews, end Bob Lang, and tackle Craig Anderson were selected for the second team. Honorable mention was received by L. Goff, W. Anderson, A. Berberian, and R. Walsh. Pilgrim looks for the same success next year.

Here come the Patriots!

Quarterback Dick Walsh fakes a hand-off to Wayne Wildes and then fires the football to hard running Les Goff.



Watching the team in action, Head coach Mr. Miller, Line coach Mr. Eccleston, Assistant coach Mr. Lambert, and Backfield coach Mr. Mezzanotte try to keep warm.

Patriotism, in the loyal Pilgrim High way, is displayed by M. Minnaugh, V. Oneppo, R. Peas, P. Gallo, P. Johnson and A. Finch.

"Mother said there would be days like this!"

Go! Pilgrim! Go!

Looking on with an air of confidence, Mr. Morry knew all along that Pilgrim would defeat Warwick.

Pilgrim's drum major, Willard Seaton, leads the band in precise marching order.

Linemen J. Zompa and W. Hewins charge in to thwart a Warwick run.

FRESHMEN FOOTBALL

Coached by Frank Halliwell, the freshmen football team played several games during the season. Although the coach would have liked to have had an undefeated record, his main concern was the development of potential varsity players. Thus most of the time was spent on the practice field learning basic techniques of tackling, blocking, and running. Team play was also stressed while as many players as possible participated in the games. Through this program it is hoped that Pilgrim will continue to have varsity football teams of the same caliber as this year's.

Craig Callen controls the tap-off during the crucial last quarter of the game with East Greenwich.

Co-captain, Craig Callen, Coach McGowan, and Co-captain, Lawrence Sullivan.

VARSITY BASKETBALL

Pilgrim's Varsity Basketball team ended the season with a league record of nine wins versus five losses and an overall record of fifteen wins versus eight losses. Probably the best proof of the team's uniformly successful performance was Pilgrim's winning five out of seven away league games. Also significant was our third straight victory over Warwick, our two point loss to East Providence (league champion), and our being runner-up to Bishop Hendricken in the Kent County Tournament. The second time we played St. Raphael's Academy, Pilgrim, losing, with fifteen seconds remaining, managed to score the winning field goal. Against Pawtucket West, Craig Callen scored the thousandth point in his high school career and also set a record of thirty-six points for a single game. Leading scorers, beside Callen, were Joe Goddard, Brian Thompson, and Lenny Quaranto.

J.V. BASKETBALL

Pilgrim's Junior Varsity Basketball team ended the season with a league record of 10 wins and 4 losses and an overall record of 12 wins and 6 losses. The team's most dramatic accomplishments were its ending of De La-Salle's 31 game, 3 year victory streak, Jerry Vanasse's 21 points in a victory over Tolman, and a close overtime battle (which we lost) against East Providence. The Junior Varsity team did defeat every league opponent at least once. Leading scorers were Jerry Vanasse, Phil Clark, and George Bogoian. Bob Lang was leading rebounder and Bob Kearney, best defenseman.

VARSITY CROSS COUNTRY TEAM: V. O'Grady, R. Rousseau, M. Bolles, K. Simmons, T. Mulcahy, R. Nelson, S. Himelfarb.

CROSS COUNTRY

During the season Pilgrim's cross country team performed consistently. Coach Sheehan's harriers started off the year successfully, losing only by one point to the winning team in the Columbus Day Race. After placing fourth in the Burton Race of the Relay Carnival, Pilgrim was narrowly defeated by Hendricken in the Warwick Championship. Competing in dual meets, the team finished fourth and followed this up with a fifth place in the Class A Championships.

Coach Sheehan looks to next year with high hopes. Up from the junior varsity team will be coming boys with much potential. Leading them is Roger Lacallade, the second best freshman in the state. Vin O'Grady was the top runner this year on the varsity as a sophomore. Although replacing seniors Ray Nelson and Bob Rousseau will not be easy, Pilgrim should have a strong team next season.

Robert Rousseau is in a good position at the start of the grueling 2½ mile race.

Heading for the finish line, Ray Nelson gains rapidly on his North Kingston opponent.,

INDOOR TRACK

The team loses several of its stars through graduation this year (T. Morley, R. Ingham, D. French, R. Nelson and W. Keach), but it has a number of promising runners coming up to take their places. These include V. O'Grady, a sophomore who made the Second Team All-State this year, M. Bolles who placed fifth in the state meet in the two-mile run, 1000 yard star K. Simmons, sprinter P. Boisvert, and two outstanding field event men: high jumper D. Blumenthal and shot putter R. Lupton. Also back for his senior year will be J. George, Pilgrim's top hurdler this year. In addition, Pilgrim can expect help in the mile run from freshman sensation R. Lacallade, who this year broke Tony Masi's freshman mile record (LaSalle National Mile Champion) of 5:00.1 with a clocking of 4:55.5 in the mile run. This year the team had three state champions: T. Morley in the 50 yard dash and 600 yard dash, V. O'Grady in the 2 mile run, and R. Ingham in the 1000 yard run. T. Morley made the First Team All State and the Class A First Team, R. Ingham and V. O'Grady made the Second Team All State.

VARSITY HOCKEY

Competing in the tough Metropolitan Division, Pilgrim ended up with another winning season this year. The top point-getters for the team were Al Fairbanks, Ed Good, Jay Brown, and Les Goff. Al Fairbanks, an All-State selection, scored 38 points and finished as the fifth highest scorer in the state. Continuing their mastery over Warwick, Pilgrim's skaters won 5-1 and 3-1. Other highlights were the 2-1 victory over Mt. St. Charles and the 6-4 loss to Cranston, which lost only one game during the season. A strong fight was waged by Pilgrim against Mt. St. Charles for the final playoff position in the division. In the final seconds of Pilgrim's last game of the season, it was tied by Mt. St. Charles, eliminating the team from the playoffs.

With Pilgrim applying pressure to the Ponagansett defense, Al Fairbanks rushes out to center the puck.

VARSITY WRESTLING

In early season, Pilgrim's wrestling team upset a tough La-Salle team by the score of 22 to 18, and also defeated East Providence. However, at the end of the year Pilgrim came on even stronger. The most noteworthy match of the league season was against first-place Hendricken. Fighting Hendricken on even terms throughout the match, the team was beaten by a slim margin in the final bout.

Pilgrim's representatives at the State and New England Championships performed very well. Leading the team was co-captain Robert Atkinson, who placed third in the Rhode Island competition and improved to second in the New England matches. Other top wrestlers were co-captain D. Webb, J. Krawczuk, and R. Claeson. Looking ahead, Coach Pagano expects help from two junior varsity wrestlers, J. Cook and R. Parparian, for next year.

BASEBALL

After finishing third in its initial year of league competition, Pilgrim won a dramatic fight for the Central Division League Championship last season. The team, which won 11 games and lost only 3, was headed by Ken Tober, All-State Pitcher; Dick Walsh, Second Team All-State Catcher; and Les Goff, All Fairbanks, Bob Lang, all of whom received Honorable Mention in the Central Division. With only three games left in the season and Pilgrim tied with LaSalle for the division lead, these two teams met. A combination of superb pitching and defensive play enabled Pilgrim to win 3-0 in this crucial game.

Thirteen lettermen returned to the team this year. Coach Mezzanotte expects that these boys and a good crop of sophomores should result in another successful season. Also organized this year was a ninth grade team coached by Mr. McGowan. With the development of these boys, Pilgrim's first league championship team plans to continue in the role as a top contender.

Another run scores as Pilgrim defeats arch-rival Warwick.

Dick Walsh takes a lusty swing as he aims for the fence.

Dick Walsh blocks the plate and prevents a score by Warwick.

TENNIS

Last year's tennis team ended the season with a league record of 9 wins and 5 losses, coming in third in the Division. Greatly improved over the previous year, the squad shut out its opponents in three matches, lost to the league champions (Cranston East) twice by the slim margin of 4-3, and beat its perrenial rival Warwick both times by a score of 5-2. Individual outstanding performances include David Isenberg and Russell Abrams' making the semifinals of the LaSalle Doubles Tournament in which they were defeated by Classical, the team that won the tournament in the next round. David Isenberg was named number three on the Rhode Island Eastern Division team and on the basis of non-scholastic tournaments was ranked number thirteen in the New England eighteen-years-and-under division.

GOLF TEAM

The golf team this year was transferred into the Urban Division, which meant it faced new competition, on new courses. It was an eight man team, with four starters. Four golfers returned from last year's team, three juniors and one senior. The members of the team practiced in the gym and on the athletic field at first, then at their home course Potowomut. Movies were taken of the members' swings, in order to improve them. Practice is very important, as the coach, Mr. Carello, makes a distinction between a golfer, or "student of the game", and a person who plays a lot of golf. This concept, and his preference of underclassmen over seniors of equal ability guided Mr. Carello in his selection of the team.

MEMBERS OF THE GOLF TEAM: Coach Carello, G. Peterson, D. MacLean, R. Kearney, R. Blythe, J. Kasameyer, M. Quinn.

GIRLS SPORTS

Intramural volleyball games are held after school to determine Pilgrim's best team.

Girls' sports, although not nearly as complex as the boys' athletic program, nevertheless plays an important part in the after-school activities of many girls. Varsity and junior varsity basketball, field hockey, and volleyball teams compete with seven surrounding high schools. The field hockey team, particularly active this year, had a successful league season, and in the "playday" (field day) the team was undefeated. The girls practiced every night for two months and played two games a week. At the end of the season, they had a Mother and Daughter banquet.

GIRLS' FIELD HOCKEY TEAM, First Row, L. to R.: S. Elmer, A. Pacifico, C. Miller, B. Ebberson, K. Damon, L. Grenier, C. Graves. Second Row: C. Engel, S. Miller, A. Jacques, D. Maude, P. Beagan, J. Deignan, M. Lacallade, J. Ianucci. Third Row: D. Graves, G. Amore, J. Douglas, J. Rollins, R. Merenda, D. Deignan, J. Headley, A. Einseidler.

Before you accept that first job . . .

Look over your employer as carefully as he does you

What's the Company like anyway? Would I be proud to work there? Reputation for square dealing with employees? Pleasant surroundings?

Will I be working with others my own age? Are they friendly? Do they socialize after hours?

Will the boss be reasonable? Appreciate good, hard work, but won't explode if I make a mistake?

Will I make a decent week's pay? Have a chance for raises, advancement, more responsibility? How about fringe benefits?

Is the work challenging? I had what it takes to get through high school. Will they give me a chance to use my brains?

Note: Many young men and women in this area can answer "Yes" to these questions. They work for New England Telephone Company . . . New England's largest employer.

Why not talk with our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.

To Jude ——

It's not everyone that has done so much for our class and not gotten a swelled head over it. Ever since I have known you, you've been just great. Remember, above all, first and foremost, our Chemistry class and our great teacher, Mr. D'Amora. Don't blow up any test tubes.

Always,
Sue Pettee
